

# Host a Winning Day Using Biobased Products at Your Next Tailgate

## Fire Up the Grill!

No tailgate would be complete without grilled hotdogs, wings, or burgers. We have 47 different Fire Log and Fire Starter products, like biobased charcoal lighter fluids, in our BioPreferred® Program Catalog—37 of which are USDA Certified Biobased.

## Keepin' It Cool

The LifeMade™ Fiber Cooler is USDA Certified Biobased and made of recycled non-printed fiber. It has a 20-can capacity with ice!

Need to extend the life of your ice? Consider BioDrain™ Sink Safe Gel Pack Gel—a USDA Certified Biobased product, certified at 76%.

## Score More with the Right Tools

We have 40 certified products in Kitchenware and Accessories, but these stand out when it comes to tailgating:

- bambu® Cooking Utensils made from 100% bamboo
- If You Care® Baking Cups made from 100% FSC® certified tree pulp
- And 3 different Cutting Boards, certified at 53%-100% and made from bamboo or rice husks – ideal for chopping onions, tomatoes and all your toppings!

## Disposable Tableware for the Touchdown!

We have more than 250 Disposable Tableware products in the Catalog.

- Whether you're serving hot cocoa to warm the hands, or your favorite ice-cold beverage, there are 40 biobased cups to choose from.
- Pile on the cole slaw, chips and wings on your choice of over 50 different types of disposable biobased plates.
- Clean up after chowing down with over 30 USDA Certified Biobased napkin or paper towel products.

Stock your next tailgate with biobased products from the BioPreferred Program Catalog.
